

WWRG Parental/Carer Consent Form

This form is to be signed by the parent or carer of an under 18 year old who will be attending a WWRG organised trip. It will be signed in person on the day of arrival by the parent or carer attending the event with the under 18 years and not by another parent or carer. Noncompliance with this document will sadly mean we are unable to host your under 18 year old on our trip.

The relevant safeguarding policies are available on through the WWRG website and all risk assessments and trip information will have been sent to you via email before the start of the trip. Please ensure that you have read all of this before you attend and are signing the document below.

Please hand the signed document to the trip organiser or coordinator on arrival at the Old School House or catching site. If on a catching site ask who this is on arrival as this may change depending on the catch options.

WWRG Guidelines for under 18 attendees on trips

All under 18s will not attend trips on their own, they are only able to attend when accompanied by a parent or carer who will sign the WWRG's Under 18 Parental/Carer Consent Form ([link here](#)) on arrival agreeing to the groups safeguarding policy and practices.

Under 18s must be under supervision at all times (either by hearing or sight) whether at the Old School House, accommodation in Lincolnshire or on catching and resighting trips.

The under 18 and their parent/carer will stay in a room or tent on their own. If in a room the parent/carer may choose who else will stay in the dorm room with them or not. If in Friskney Village Hall they will be offered to stay in the separate room with doors with other family. No WWRG member will make a decision over who stays with them.

The parent/carer and under 18 will either travel in their own car to catching/resighting locations or the parent/carer may choose whose car they will travel in. The parent/carer will also choose who else might travel with them in their car - no WWRG member will make a decision over which car they are in or who travels in their spare car seats with them.

If a parent/carer has an emergency and needs to be away from their under 18 year old (and can't take them with them) any arrangements they make with someone attending a WWRG trip is private to the group and no group member or trip lead should make a decision on this decision.

Name of young person: _____

Date of birth: _____

I confirm that the WWRG can hold and process the above data and that I agree to the young person named on this form joining the WWRG on an organised trip to catch and resight waders around the Wash, that I have read the guidelines above, the safeguarding policy, the risk assessment, the health and safety information and the WWRG trip details sent previously and agree to follow them. I also confirm that I have explained the risks associated with attending a WWRG catching/resighting weekend with the young person named above.

Name of parent or carer: _____

Relationship to young person: _____

Signature: _____

Date: _____

Contact phone number: _____

Data Protection Statement: If you are providing names and other personal details, WWRG will store and use these in line with our published GDPR Policy (see on our website or contact us). You can specify your preferences surrounding the way we contact you at any time. For further information please contact the enquiries officer (enquiries@wwrg.org.uk) or WWRG trustees (trustees@wwrg.org.uk).
